HEALTH ALLIANCE
BUILDING COMMUNITY THROUGH COLLABORATION

Chatham Health Alliance Membership Code of Conduct

This document sets the code of conduct expected of all members of the Chatham Health Alliance and is a condition of membership. It applies to all members, irrespective of their membership type or the role they fulfill.

Vision:

Our vision is an active, thriving community for all- a Chatham where residents of all races, religions, ethnicity, sexual orientations, and/or gender identities achieve optimal health.

Mission:

To bring organizations and residents together to work on issues affecting health in Chatham County, with a focus on the health priorities identified in the Community Health Assessment.

Core Values:

The work of the Chatham Health Alliance is rooted in the belief that health decisions are directly impacted by the social, cultural, and environmental contexts in which individuals live, work, play, and pray. Addressing these contexts is larger than any one individual or agency can address on their own, and the strength of the Alliance to create change lies in the participation and engagement of Chatham's residents, businesses, faith communities, civic organizations, nonprofits, and agencies. Joining together, we can identify solutions for our communities rooted in data, evidence, and partnership.

As a Chatham Health Alliance Member, I will:

- Support and promote the mission, vision, and core values of the Chatham Health Alliance;
- Treat all members of the Chatham Health Alliance, regardless of their culture, identity, background, and circumstances, with respect and foster a welcoming environment;
- Respectfully acknowledge the opinions and viewpoints of others and demonstrate a willingness to engage in constructive dialogue;
- Refrain from using my position in the Chatham Health Alliance to unfairly benefit myself, my employer, or others;
- Avoid speaking to the media on behalf of the Chatham Health Alliance or using the Alliance logo or name for marketing or promotional materials without approval from the Chatham Health Alliance Coordinator.

Should a member fail to meet the expectations in this Code of Conduct, the Chatham Health Alliance Leadership Team may take appropriate action, including revoking membership.

The Chatham Health Alliance Leadership Team reserves the right to update this Membership Code of Conduct.

By applying for membership to the Chatham Health Alliance you indicate that you have accepted and will abide by the Membership Code of Conduct.
